Step 5: Submit your application

If you are satisfied with your form and have uploaded all documents, you can submit your application.

Note: You cannot make any changes to the form or documents once the application has been submitted. Please ensure correct details have been filled.

Step 6: Apply to departments/specialisations

Once the application has been submitted, you can begin to apply to departments/specialisations.

- You can apply to one or more departments/specialisations.
- You have to apply for each of departments/specialisations separately.
- You can view the status of your application ('Application not submitted', 'Payment pending' and 'Payment complete') through the dashboard.

Step 7: Pay application fees

- You have to pay an application fee for each of the departments/specialisations applied.
- Please contact us if you find any discrepancy in the fee amount.
- You will be redirected to our payment gateway.
