Rupa Rahul Bajaj Scholarship for Women in Engineering

India's Largest Scholarship Program for Women in Core Engineering

The Rupa Rahul Bajaj Scholarship for Women in Engineering is a flagship initiative of Bajaj Auto Foundation, envisioned to empower meritorious women to excel in fields of core engineering and manufacturing.

Beyond financial aid, it fosters holistic growth through mentorship, industry immersion, and access to transformative networks. At its core, the programme aims to build a community of women who will step into the engineering world with purpose and redefine possibilities.

Eligibility Criteria:

1. Meritorious female students enrolled in the select top 40 engineering colleges.
2. Applicable Streams: Mechanical, Electrical, Electronics & Communication, Industrial/Production, Automobile, Mechatronics, Instrumentation, Material Sciences, Metallurgy, Robotics & AI, and Engineering & Computational Mechanics.
3. Minimum 75% score in Class 12

OBJECTIVES OF THE SCHOLARSHIP PROGRAM:

01

Empowering meritorious women pursuing engineering

02

Encouraging women's participation in technical and manufacturing sectors

03

Sustaining aspirations and building future leaders
