Advertisement for Petronet Research Scholarships for Petronet Centre for Renewable HydrogenResearch

Ref. No: NITK/Almn/PCRHR Project/2023-24 Date:22/05/2024

Applications are invited for Project Associate (PA) for research in <u>Petronet</u> Centre for CSR funded research project on Renewable Hydrogen Research

Objective:

The Project Associate (PA) is aimed to identify motivated young researchers and provide them support for doing research in frontier areas of Petronet Centre for Renewable Hydrogen Research. The fellows will work under a faculty member from NITK, and it is hoped that this training will provide them a platform to develop as independent researcher. The beneficiaries of this fellowship in the future can support the planners and policy-makers of local governments in strengthening their capacity to manage problems related to waste and access to clean water as well as energy. Further, they can also create employment opportunities, which will help in social upliftment and promote social integration as well as social inclusion.

The availability of the funding will be for a period of one year. Interested candidates should fill in their academic and personal details in the prescribed application format and send the same along with attested copies of relevant certificates within 10 days from the date of advertisement to the contact person. Only the shortlisted candidates will be informed by post/E-mail/Phone/ Website: www.nitk.ac.in.

Shortlisted candidates should report to the contact person for certificate verification, followed by test and technical interview. The interview is most likely to be held during First week of June 2024. Any change in the date of the interview will be intimated through email. Selection will be based on qualification, experience, test performance, and interview. TA/DA will not be paid for attending the written test and interview. NITK, Surathkal reserves the right to reject any or all the applications without assigning any reasons. Selected candidates will be required to join immediately.

Title project	Modelling and Experimental studies on catalytic Steam Biogas Reforming process for Hydrogen generation at National Institute of Technology (NIT) Surathkal
Sponsoring Company	Petronet Centre for Renewable Hydrogen Research (PCRHR)
Monthly Salary available	INR 35,000/- per month
Number of Post- Scholarships Available	01
Faculty/Mentors Associated from Department/Centre	Department of Mechanical Engineering
Tenure of availability of scholarships	Currently, for One year, extendable up to two years based on the availability of funding and the performance of the candidate.

Qualification and Experience	Qualification: Project Associate: The candidate should have completed M.Tech/M.E in Mechanical /Chemical Engineering Experience: Knowledge about Analytical techniques using GC or GCMS or GCxGCTOFMS or PTR TOFMS or TGA FTIR or NMR or ICP AES is highly appreciable.		
Desirable qualities	The candidate must be able to work independently and flexibly and having the following qualities will be desirable. 1. Basic knowledge about laboratory/bench scalework with a technical focus on the basic fundamentals to understand and optimize the process 2. Implementation: Pilot/demonstration scale or the field application projects 3. Sustainability aspects: Financial, social, environmental aspects, models and simulations, theoretical evaluation, potential analysis, decision support tools 4. Excellent analytical and writing skills		
Last date for receipt of application	02 th June 2024		
or application			

Interested candidates may apply in the prescribed format along with CV, photo copies of relevant certificates, grade/mark sheets etc., and should reach NITK on or before 02/06/2024 by post/email (scanned documents) at the prescribed address below:

Sd/-

Dr. Vasudeva Madav

CSR Project Coordinator and

Assistant Professor, Department of Mechanical Engineering,

National Institute of Technology Karnataka Surathkal

Email: vasu@nitk.edu.in

Tel: +91-824-2473670, M: +91-9008889796

Note:

• The Project Associate are not eligible to receive any other salary from any Government or Non-Governmental source during the tenure of the fellowship.
